Dear Sir/Madam,

Suspension of operations at offices & manufacturing units to contain spread of COVID-19

Considering the fast spread of COVID-19 across country, the Company had over last few weeks taken various proactive & preventive measures in best interest of its employees, society and other stakeholders. These measures focussed on higher level of hygiene at all workplaces & production facilities, like meetings using video & other digital medium, availability and use of hand sanitizers at all entry & exit points and within premises, availability and use of face masks, checking body temperature of all people entering the offices/plants.

However pursuant to order issued by Department of Medical and Health, Government of Rajasthan dated 22nd March, 2020 to contain the spread of COVID-19, the Company has suspended its operations at offices and manufacturing units situated in the State of Rajasthan with immediate effect till further notice.

Apart from above, based on notifications issued by various statutory authorities, the Company's Continuous Production Sanitaryware Plant at Bahadurgarh (State of Haryana) is functioning with 50% staff strength in accordance with applicable orders/notifications/guidelines.

The Company is actively reviewing and monitoring the developments relating to COVID -19.
